

## Euler Hermes appoints Loeiz Limon-Duparcmeur as Group Chief Financial Officer and Member of Board of Management

**PARIS, 4 March 2020** – Euler Hermes, the worldwide leader in trade credit insurance, today announced the appointment of **Loeiz Limon-Duparcmeur**, currently Group Head of Risk Underwriting, as Group Chief Financial Officer and Member of Board of Management. He succeeds Chantal Schumacher who has decided to take a new role in Allianz SE.

These changes will take effect from 1<sup>st</sup> April 2020.

Loeiz Limon-Duparcmeur joined Euler Hermes in 1995 as an investment manager for Euler SFAC. He then held several senior controlling and finance positions in France, the Netherlands, the United Kingdom, Italy and at Group level. In 2016, Loeiz broadened his business experience by taking the role of Country CEO for Euler Hermes Italy before joining the group back again in 2019 as Group Head of Risk Underwriting. Graduated in Applied Mathematics, Loeiz is fluent in English, Italian and French.

*"I would like to thank Chantal for her support and commitment to the Group and to welcome Loeiz to the EH Board of Management. I am confident that Loeiz with his in depth knowledge of our business and with his broad international experience will do a great job in his new role. This appointment demonstrates once again the depth and breadth of experience of our teams all around the globe,"* said **Wilfried Verstraete, Chairman of the Euler Hermes Board of Management.**

**Euler Hermes** is the global leader in trade credit insurance and a recognized specialist in the areas of surety, collections, structured trade credit and political risk. Our proprietary intelligence network analyses daily changes in corporate solvency representing 92% of global GDP. We give companies the confidence to trade, and be paid. We compensate your company in the event of a bad debt, but more importantly, we help you avoid bad debt in the first place. Whenever we provide trade credit insurance or other finance solutions, our priority is predictive protection. But, when the unexpected arrives, our AA credit rating means we have the resources, backed by Allianz to provide compensation to maintain your business. Headquartered in Paris, Euler Hermes is present in 50+ countries with 5,800 employees. In 2019, our consolidated turnover was €2.9 billion and insured global business transactions represented €950 billion in exposure.

**We predict trade and credit risk today, so companies can have confidence in tomorrow.**

Cautionary note regarding forward-looking statements: The statements contained herein may include prospects, statements of future expectations and other forward-looking statements that are based on management's current views and assumptions and involve known and unknown risks and uncertainties. Actual results, performance or events may differ materially from those expressed or implied in such forward-looking statements. Such deviations may arise due to, without limitation, (i) changes of the general economic conditions and competitive situation, particularly in the Allianz Group's core business and core markets, (ii) performance of financial markets (particularly market volatility, liquidity and credit events), (iii) frequency and severity of insured loss events, including from natural catastrophes, and the development of loss expenses, (iv) mortality and morbidity levels and trends, (v) persistency levels, (vi) particularly in the banking business, the extent of credit defaults, (vii) interest rate levels, (viii) currency exchange rates including the euro/US-dollar exchange rate, (ix) changes in laws and regulations, including tax regulations, (x) the impact of acquisitions, including related integration issues, and reorganization measures, and (xi) general competitive factors, in each case on a local, regional, national and/or global basis. Many of these factors may be more likely to occur, or more pronounced, as a result of terrorist activities and their consequences.
